So, go ahead...Take a chance at *The Gumball Lottery!*

**ABOUT THE AUTHOR**

Sally Dollar has worked in the communications and education fields. A member of the Society of Children's Book Writers and Illustrators, she serves on the auxiliary board of her local library. She lives in Birmingham, Alabama, with her husband, three kiddos and two fish, all of whom enthusiastically served as the focus group for this book. (Although the fish didn't provide much feedback, they did listen intently during manuscript readings.)
